

The history of the Olympic games

The history of the games goes back around 3,000 years to the Peloponnese in ancient Greece. We do not know exactly when they started, but the date of 776 BC is identified in written sources. The exact reason for the birth of the games is still unknown. In 1894, Pierre de Coubertin launched his plan to revive the Olympic games, and in 1896 the first games of the modern era were held in Athens.

Right here we have James Connally. He is the first champion of the Olympic games.

Connally Irish passed in the category of an... Connally left school for working life at his age 14, and became involved in socialist politics in the 1890s.

He was an American... republican, socialist and trade union boss.

It is not until the end of the working class should fight for the freedom of the Irish Republic from foreign rule and the first programme for the free development of the working class through for our class? James Connally
